

Community Support Services

Community Integration

We aim to integrate and stabilize individuals within their environments, promoting independence and improving quality of life. These programs focus on proactive support and rehabilitation, helping individuals navigate their conditions within the community while maintaining continuity of care.

Our Services

- **Forensic Services:** Tailored support for individuals involved with the criminal justice system, facilitating better mental health outcomes and reintegration.
- **Assertive Community Treatment:** A team-based approach providing intensive, on-site treatment to individuals with serious mental illnesses.
- **Early Assessment & Support Alliance:** Early intervention for young adults experiencing symptoms of psychosis, aiming to prevent severe psychiatric conditions.
- **IPS Supported Employment:** We support individuals with mental health challenges in finding and maintaining employment, enhancing their independence and socioeconomic status.

“An Oregon leader in patient-centered primary care, behavioral health care, and prevention!”

About Adapt Integrated Health Care

Adapt is an Oregon leader in primary care, addiction treatment, mental health care and prevention services. For over 50 years, Adapt has provided the highest quality care to individuals and families struggling with substance use and behavioral health disorders. Our clinicians rely on the most current evidence-based treatment practices and are committed to excellence and high-quality care.

At Adapt, no one is turned away due to inability to pay.

Adapt is a preferred provider for most major insurance plans and we work with Coordinated Care Organizations to provide quality care for Oregon Health Plan and Medicare members.

For un-insured patients, we offer a sliding scale discount based on family/household size and net income.

Our experienced intake team will work with you and your medical provider to identify your treatment needs, explore treatment options and assist with referrals and authorizations to help you get the care you need when you need it.

Mental Health Care

Empowering Wellness

Comprehensive Support

At Adapt, we offer a wide spectrum of mental health services tailored to meet the needs of individuals and families across all stages of life.

From immediate crisis intervention to long-term community support, our programs are designed to provide effective, compassionate care and foster resilience in our clients.

Reach out today to learn how our dedicated team can support your journey toward better mental health!

Crisis Services

Immediate Support

Our crisis services are designed to provide quick and compassionate care in urgent situations, ensuring that individuals receive the help they need without delay. Available 24/7, our crisis response team is trained to handle acute mental health issues with the utmost professionalism and empathy.

Our Services

- **Mobile Crisis:** Our Mobile Crisis team can be dispatched at any time to provide on-site emergency mental health care. This service is crucial for individuals experiencing severe distress or psychiatric emergencies, ensuring they receive professional help in their own environment, which can often help de-escalate situations safely and effectively.
- **Walk-In Services:** For those who need immediate assistance without prior appointments, our Walk-In Services offer a lifeline. Located at our Roseburg Office, this service provides immediate assessment and stabilization to help manage acute mental health symptoms. The goal is to address urgent needs while connecting individuals with ongoing support resources.

Adult Outpatient

Comprehensive Assistance

Our services are tailored to meet a variety of needs, from managing daily stresses to addressing more complex mental health conditions. Each program is focused on promoting long-term wellness and is delivered by a compassionate team of mental health professionals.

Our Services

- **Open Access:** New patients can receive immediate consultations, enabling prompt and effective treatment initiation.
- **Case Management:** Our case managers facilitate coordinated care tailored to individual health needs, improving overall treatment outcomes.
- **Counseling:** We offer diverse therapy options, including individual, group, and family counseling, to address a variety of mental health concerns.
- **Older Adult Behavioral Health Initiative:** Complex Case Consultation focusing on the unique mental health challenges faced by the Older Adult population, focusing on the unique mental health challenges they face.
- **Mental Health Peer Support:** Peer support groups provide valuable shared experiences that promote healing and understanding.

Youth & Family Outpatient

Helping Those You Love

Designed to support the mental and emotional health of children, adolescents, and their families, these services aim to nurture resilience, develop coping skills, and facilitate healthy growth in all aspects of life.

Our Services

- **Open Access:** Immediate access to care ensures that young patients and their families can begin treatment without delays.
- **Skills Training:** We offer practical skills training to help young individuals manage and express their emotions healthily.
- **Counseling:** Personalized counseling sessions support the emotional and psychological well-being of children and adolescents.
- **Wraparound Care Coordination:** Our wraparound services provide thorough, individualized care planning and coordination for families with complex needs.
- **Intensive In-Home Behavioral Health Treatment:** This program delivers intensive therapeutic services directly in the home, addressing serious mental health conditions in a familiar setting.
- **School-Based Counseling:** We extend our services into schools to ensure that mental health support is accessible and integrated into the daily lives of students.
